

Simple Top-Down, Two-Toned Triforce Baby Sweater

Sizes: 3-6mo (6-9mo, 9-12mo)

To fit chest sizes 16 (17, 18) inches or 40.5 (43, 46) centimeters.

Finished garment has a chest circumference of 20 (20, 21) inches or 51 (51, 53) cm.

For complete garment measurements, please refer to diagram on page 5.

Yarn: 1(1,1) skeins color A 1(1,2) skeins color B 1(1, 1) skeins color C of KnitPicks Wool of the Andes Bulky; [100% Peruvian Highland Wool 137 yards/100 grams] or similar chunky weight yarn.

Featured Colors: Color A: Knitpicks Wool of the Andes Bulky Spruce
Color B: Knitpicks Wool of the Andes Bulky Beach Glass
Color C: Knitpicks Wool of the Andes Bulky Honey

Needles:

US 10/ 6mm circular needles (optional)

US 10/ 6mm double pointed needles

Note: I used dpn for the sweater in all sizes. However, the stitches can get crowded, especially in the 9-12 mo size. You may consider switching to circular needles when the number of stitches becomes cumbersome or use the magic loop method.

Or size to obtain gauge.

Gauge: 15 sts x 20 rows = 4 inches or 10 cm in stockinette stitch.

Notions:

5 stitch markers
2 stitch holders or scrap yarn
Tapestry needle

Abbreviations:

alt- alternate	p-wise- purl wise: insert right needle down into the front loop
approx.- approximately	pm- place marker
beg- begin(ning)	prev- previous
BO- bind off	rep- repeat
CA- color A	RH- right hand
CB- color B	rib- ribbing: vertical columns of knit and purl stitches
CO- cast on	rnd(s)- round(s)
cont- continue	RS- right side
dec(s)- decrease(s)	sl- slip a stitch
dpn- double pointed needles	slm- slip marker
inc(s)- increase(s)	ssk- slip 2 stitches as if to knit, then knit those two stitches together
k- knit	st(s)- stitch(es)
k2tog- knit 2 stitches together	St st- stockinette/stocking stitch
kfb: knit to the front and back of stitch (increase by 1 stitch)	WS- wrong side
LH- left hand	yb- yarn to back
m- marker	yf- yarn to front
no- number	
p- purl	

Notes: This jacket is worked from the top down with no seams. The body of the jacket and the sleeves are worked in the round. The neckline, sleeves and the bottom hem are worked in a ribbed pattern. A color motif is added as the sweater is knit in the round.

Skills Required: knitting, purling, knitting in the round, increasing, decreasing, knitting on dpns, picking up stitches, simple color changing, ribbing

Directions:

Yoke

CO 40(40, 44) sts. Join in the round.
Complete 3 rnds in k2, p2 pattern.

On the next round: k8(8,9), pm, k4(4,5), pm, k16(16,17), pm, k4(4,5), pm, k8(8,9)
Knit one round slipping all markers as you go.

You should have 40 (40, 44) sts.

Begin reglan inc (Please read all instructions in this section before beginning):

Round 1: *k until 2 sts before m, kfb, k1, slm, kfb ** rep from * to ** 3 more times, k to end of row.
Round 2: K to end of row.

Rep reglan inc rounds 1 and 2 an additional 10 times.
You will have increased your sts by 8 on every other rnd.

When you are approximately 2 inches (5.08 cm) from the neckline, begin the charted design in the center of your garment using Color C. To find the center, you count the number of stitches between the second and third markers (where there were 16(16,17) sts to begin with) and divide that number by 2. This number may vary depending how many increases you have done. You can place a marker here to help you, but remember you are NOT doing any increases around this marker. You will carry the thread of Color C on the WS of the garment.

When the garment measures approximately 3 inches (7.62 cm) from the top of the neckline, switch to Color B for the main body and continue using Color C for the charted design. Carry all threads on the WS of the garment.

Your final st count will be:

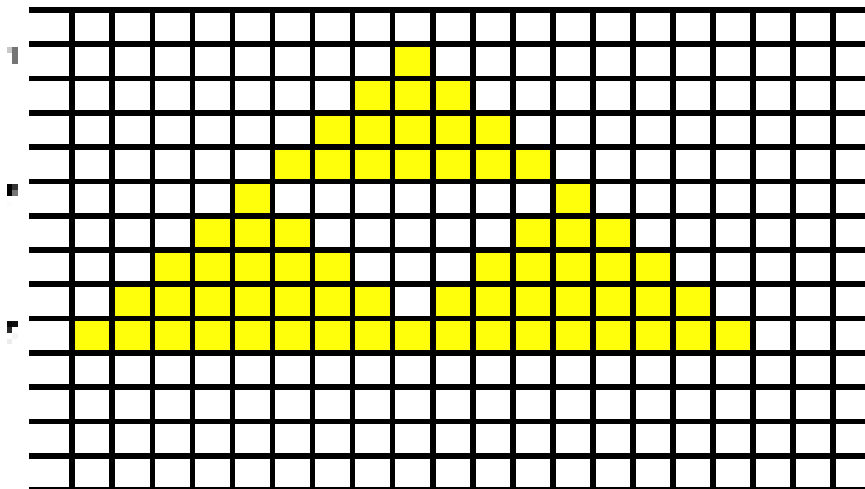

Front- 38(38, 39) sts

Sleeves- 26 (26, 27) sts each

Back- 38 (38, 39)

Total- 128 (128, 132)

Chart

Separate sleeves from body:

Rnd 1: Knit to m, remove m, sl 26(26, 27) sts onto holder, keep m, k 38(38, 39), remove m, sl 26(26, 27) sts on holder, keep m, knit to end.

Rnd 2: Knit one round.

You now should have 76 (76, 78) sts remaining on your needles.

For the 9-12mo size only: knit one rnd decreasing (k2tog) at the two remaining markers. This will leave 76 sts remaining on your needles.

Continue to work in body:

Knit in the round until garment measures approx. 4.5 (5, 5.5) inches or 11.5(13, 14) cm or to desired length before ribbing. Remove markers as you go.

Begin Ribbing:

K2, p2 to end. Rep for 7 more rounds.

Loosely BO in pattern (BO 2 k-wise, 2 p-wise).

Sleeves

Transfer held sts evenly onto dpns. For sizes 3-6mo and 6-9mo, pick up 3 sts on the left and right sides of the armhole; pm in the center of these sts. For size 9-12mo, pick up 2 sts on the left side of the armhole and 3 sts on the right side and pm in center of these sts.

You should have 32 sts. Make sure you continue in color pattern.

Knit in the rnd for 1.5 inches or 4 cm, then work dec round.

Dec Round: k2tog, k to 2 sts before m, ssk.

Continue to work in rnd for an additional 1.25 inches or 3 cm. Work the decrease row once more.

Once again, k in rnd for an additional 1.25 inches or 3 cm. Work dec rnd for the last time. Continue to work in rnd until sleeve measurement is 4(4.5, 5) inches or 10(11.5, 13) cm from armpit to cuff.

K2, p2 to end.

Rep 3 rnds in k2, p2 pattern.

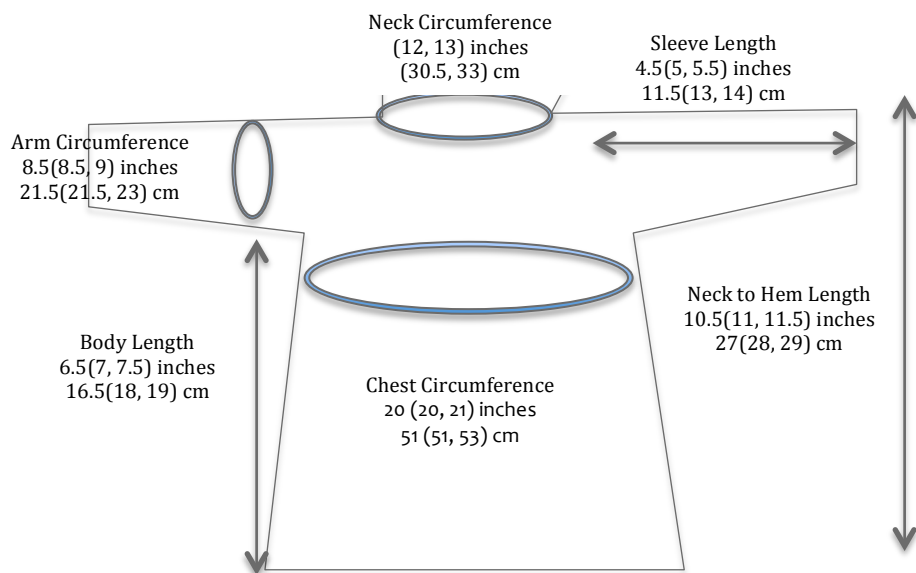

Remove marker. BO following pattern.

Rep for second sleeve.

Finishing

Weave in any tails remaining on your garment.
