Pattern Notes
This shawl is constructed of a main body with a knit-on lace edging. The body is constructed in a traditional triangle method, beginning with **Chart A**, then moving to **Chart B** after there are 13 sts. Work **Chart B** *thirteen times* until there are 65 sts and then **Chart C** *eight times* until there are 225 sts. Break yarn. Next work **Chart D** *one time* using color 2. Break yarn. The knit-on edging begins with **Chart E**, working to the marked center stitch of the body using color 3. Short rows are used to shape the edging around the center point of the body. Written instructions are provided for all charts, so you may work from the charts or the written instructions.
