Policy Studies Journal

Edited by
HANK JENKINS-SMITH

Published on behalf of the Policy Studies Organization and the Public Policy Section of the American Political Science Association

The primary focus of the ***Policy Studies Journal (PSJ)*** is the study of public policy. Published on behalf of the Policy Studies Organization, ***PSJ*** publishes individually-submitted articles and symposia of exceptional quality by social scientists and other public policy researchers and leaders. The journal addresses a wide range of public policy issues at all levels of government, and welcomes a comparative approach.

Public Administration Review

The Premier Journal of Public Administration

Edited by
RICHARD J. STILLMAN

Published on behalf of the American Society for Public Administration

Public Administration Review (PAR), a bi-monthly scholarly journal, has been the premier journal in the field of public administration research, theory, and practice for more than 60 years. ***PAR*** is the only journal in public administration that serves both academics and practitioners interested in the public sector and public sector management. Articles identify and analyze current trends, provide a factual basis for decision making, stimulate discussion, and make the leading literature in the field available in an easily accessible format. With articles on a wide range of topics and expert book reviews, ***PAR*** is exciting to read and an indispensable resource.

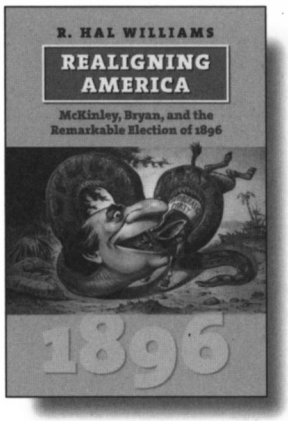
Realigning America

McKinley, Bryan, and the Remarkable Election of 1896

R. Hal Williams



"Vintage Williams—an epic story meticulously researched, insightfully argued, and vividly told. This fresh, authoritative account changes our understanding of one of the most momentous elections in the nation's history."—**Michael McGerr**, author of *The Decline of Popular Politics: The American North, 1865–1928*

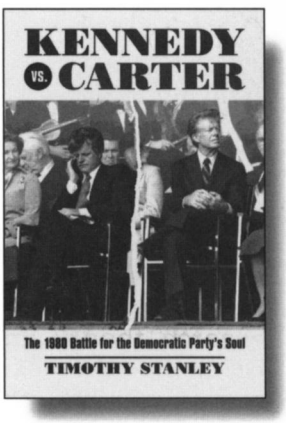
"Superb, written with his customary grace and skill, well informed about the issues, and balanced in its point of view. It should replace all previous treatments of the election and find a ready market in courses on presidential elections, the Gilded Age, and American politics in general. In short, a winner."—**Lewis L. Gould**, author of *The Presidency of William McKinley*

American Presidential Elections
272 pages, 20 photographs, Cloth $29.95

Kennedy vs. Carter

The 1980 Battle for the Democratic Party's Soul

Timothy Stanley



"A fresh, engaging, and insightful account of Ted Kennedy and American liberalism at a turning point. At the heart of Stanley's book is a startling thesis: our standard accounts of contemporary American politics, in which Ronald Reagan was bound to rise as liberalism fell, have it wrong."—**Bruce Miroff**, author of *The Liberals' Moment: The McGovern Insurgency and the Identity Crisis of the Democratic Party*

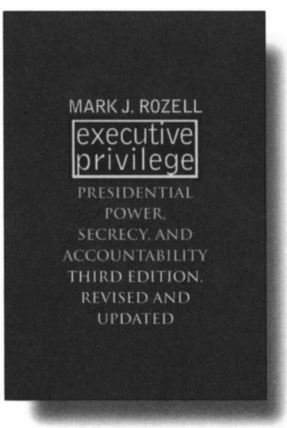
320 pages, 12 photographs, Cloth $34.95

Executive Privilege

Presidential Power, Secrecy, and Accountability

Third Edition, Revised and Updated

Mark J. Rozell



This new edition includes a thorough analysis of the controversies stirred by George W. Bush's aggressive use of executive privilege and also provides the first close look at the intense debates emerging around Barack Obama's struggle with it.

"Lucid, balanced, and tightly reasoned, Rozell's excellent book provides needed guidance on a topic that bedevils every administration."
—*Political Science Quarterly*

Studies in Government and Public Policy
272 pages, Cloth $35.00, Paper $24.95

Publisher of *Modern First Ladies, American Presidential Elections,* and the *American Presidency Series*
