Hovineidon hienommat ~ Lady-in-waiting's finer

Lady-in-waiting's finer socks want to prove that socks can be elegant despite of sport weight yarn. The relatively simple cable pattern flows almost all the way down the socks making the design interesting to knit. There's also similar *Hovineito – Lady-in-waiting* sock pattern for worsted weight yarn.

Yarn

100 grams of Zwerger Garn Opal 6-ply (75 % wool, 25 % nylon; 100 g / 280 m)
Any sport weight yarn will do as long as the right gauge is achieved.

Gauge

28 sts and 38 rows = 10 cm / 4" in stockinette

Needles

80 cm / 32" long circular needle 3,0 mm / US 2-3 (or suitable to obtain gauge)
cable needle if desired (cabling without a cable needed is highly recommended)

Size

female

Instructions

Cuff and leg

Cast on 56 sts. Distribute the stitches as follows: 29 sts at the beginning of the round (= needle 1; back of the leg) and 27 sts at the end of the round (= needle 2; front of the leg). Work p1, k1tbl ribbing for 10 rounds. Then work the sts on needle 1 according to chart A and the sts on needle 2 according to chart B until you have finished both charts. If you want to have a longer leg, work p1, k1tbl ribbing on needle 1 and start working according to chart C on needle 2 until the leg is of desired length.

Heel

Work the heel flap with the sts on needle 1 as follows:

row 1 (RS): sl1, *sl1, k1*, repeat * - * until the end of needle 1, turn work
row 2 (WS): sl1, purl until the end of the needle, turn work

Repeat rows 1 and 2 until there are 28 rows in the heel flap and you have just worked a WS row. Turn work and work the round heel turn as follows:

row 1(RS): sl1, k16, ssk, k1, turn work
row 2 (WS): sl1, p6, p2tog, p1, turn work
row 3 (RS): sl1, k7, ssk, k1, turn work
row 4 (WS): sl1, p8, p2tog, p1, turn work

Continue the established pattern until all side stitches have been decreased and you have just worked a WS row (= 17 sts). Turn work and continue in the round.

Gusset and instep

Slip 1 and k16. Pick up and knit 14 stitches along the left edge of the heel flap and one more stitch between the heel flap and needle 2. There are now 32 sts on needle 1. Work the sts on needle 2

according to chart C. Pick up 14 sts along the right edge of the heel flap and one more stitch between the heel flap and needle 2. Knit the picked stitches and the stitches on needle 1 onto same needle (= 47 sts on needle 1). The sts on needle 1 are knit from now on if not otherwise stated.

Continue the established pattern (chart C) on needle 2. Work the gusset decreases on needle 1 as follows: ssk, knit until 2 sts remain, k2tog. Repeat decreases every third round until 29 sts remain on needle 1.

After finishing gusset decreases knit the sts on needle 1 and continue the established pattern (chart C) on needle 2 until you've finished chart C row 73. Repeat chart C rows 62-73 on needle 2 once more and then finish chart C. After finishing chart C knit all stitches until work measures approximately 5 cm / 2" less than the desired final length.

Note that you can omit chart C rows 87-92 if you want to finish the cable pattern without the final curl.

Toe

rnd 1: *k5, k2tog*, repeat * - * until the end of the round
rnds 2-6: knit
rnd 7: *k4, k2tog*, repeat * - * until the end of the round
rnds 8-11: knit
rnd 12: *k3, k2tog*, repeat * - * until the end of the round
rnds 13-15: knit
rnd 16: *k2, k2tog*, repeat * - * until the end of the round
rnds 17-18: knit
rnd 19: *k1, k2tog*, repeat * - * until the end of the round
rnd 20: knit
rnd 21: *k2tog*, repeat * - * until the end of the round

Cut yarn and pull through the remaining stitches.

Finishing

Fasten tight and weave in ends. Block if desired.
