Shorts/Pants

Cast on 42 stitches, place marker, and join to being knitting in the round. Work Knit 1, Purl 1 ribbing for 6 rounds. Work in stockinette stitch until work measures 5 1/4 inches from beginning. Knit one more additional round. Now you will separate the leg sections.

Knit 7 stitches onto first double point needle, 7 stitches onto second double point needle and 7 stitches onto third double point needle leaving the remaining stitches in the 16" circular needles to be worked for second leg. Join 21 double point stitches in round being careful not to twist stitches. Mark the beginning of your rounds with a stitch marker. (You will need to know this when you are ready to bind off so you can begin with those stitches). Work in stockinette stitch until shorts measure 6 ½ inches from beginning and until pants measure 9 1/2 inches from beginning. Knit one more additional round. Loosely bind off in knit.

Now you will work the 2nd pant leg by knitting 7 stitches on 1st double point needle, 7 stitches on 2nd double point needle and 7 stitches on 3rd double point needle. Knit around in stockinette stitch until shorts measures 6 1/2 inches and until pants measure 9 1/2 inches in length. Work one more additional round. Loosely bind off in knit.
