Africa University Celebrates 20 Years

Pauline Shongo believes that one day Africa University will be the key to peace on the continent of Africa. So do the many who gathered on the campus of the United Methodist-related university March 22-24 to celebrate the school's first 20 years. The university, located in Zimbabwe and established by The United Methodist Church in 1992, draws students from all over Africa. The current enrollment of 2,000 represents students from 29 countries. From the beginning, Africa University has been a place where dreams come true. "I think because of the diversity and the opportunity to get to know each other as friends we will someday bring peace to all of Africa because we have learned to love each other," said Shongo. A student from the Democratic Republic of Congo, she is majoring in Economics and French. Fanuel Tagwira, vice chancellor of Africa University, opened the weekend of celebration by reminding visitors, students, faculty and staff that "God has brought us this far to this beautiful valley of dreams." In what seems a short 20 years, Africa University has grown from a school with classes in refurbished farm buildings to a world-changing university with more than 4,000 graduates throughout Africa and the world. "We are creating new leadership for Africa. We seek to produce brave, bold, determined leaders to change the continent of Africa," Tagwira said.

Women's Conference at Stevenson UMC

BERLIN BIBLE INSTITUTE, INC. is organizing a Women's Conference in the form of a live simulcast event of Priscilla Shirer's presentation of GIDEON on Saturday, April 27, 2013 at Stevenson United Methodist Church, 123 N. Main Street in Berlin beginning at 9:00am and ending at 4:35pm. This event is open to all women and girls. The ticket price is \$15.00 per person for ages 18 and up and includes a light lunch. Students under the age of 18 will pay \$5.00 only for lunch. Pre-school and under, will be admitted free. Childcare will be available. Priscilla's ministry to women across the country and around the world is focused on the expository

teaching of the Word of God. Her desire is to see women come to a full understanding of who they are in Christ by hearing the uncompromising truth of Scripture. Through the story of GIDEON, Priscilla will teach us to recognize that our weaknesses are the key that the Lord gives us to unlock the experience of His strength in our lives. The Praise Team, including the ministry of Priscilla's brother, Anthony Evans, Jr. (son of

Dr. Tony Evans) will lead the worship. For information or tickets, please contact Pam Russell, Director, at 410-251-3263 or Pastor Ron Schatz at 410-641-1137.
