Star Wars potholders

Stormtrooper & Darth Vader

By Solveig Heggvoll

You will need:

- Thin cotton yarn, approx. 28 stitches/10 cm. About 1 ½ ball of yarn (1 ball = 50g) of each color.
- Circular needle, 2,5 mm
- Crochet hook (for the border and the loop)

Let's get started!

Cast in 126 stitches with black yarn. The potholders are knitted using stranded colorwork. Knit the first 63 stitches following diagram 1, Stormtrooper. Continue to diagram 2, Darth Vader, using white.

Follow the diagrams and cast off with black after round 84. Crochet or sew together top and bottom. Finish off with crocheting around the potholders, and making a loop consisting of 20 chain stitches, turn around and crochet single crochet back over the chain stitches.
