# Ripple Stitch Gloves

*Remember to count Ch3 as a Dc when turning and skipping Dc in the pattern. When it says to sk 2 Dc, it will only be 1 "chevron" on top if you're not counting posts. Technically it's skip the turning chain and 1Dc in each of the first ripples when you turn.

With an H hook

Gauge: 4sc x 4 rows = 1"

**FSc (Foundation Single Crochet):** Ch2. Insert hook into 2nd chain from hook, draw up loop. YO, draw through 1 loop on hook (base chain), yarn over, draw through two loops on hook. *Insert hook into base chain, draw up loop, YO draw through 1 loop, YO, draw through both loops*repeat to total number of desired FSc.

**Row 1**: Fsc 27, join to top of 1st Fsc

**Row 2**: Ch3 turn, *sk 2 st, (Sc, Dc, Dc) in next st* repeat to last st (where you joined), (1Sc and 1Dc) in last st, join to 1st Sc. (9 ripples total)
