Knit on Edging Using a second US3/3.25mm needle cast on an additional 10 stitches and work Chart B, starting at the top right corner and work counter-clockwise, knitting together lace edge stitches with picked up stitches on every right side row.

Turning Corners with Knit On Edging The corners are worked with short rows to make for smooth knitting at the corners. Work Chart B up to 2 stitches before first stitch marker. Start all odd rows on the right side of the shawl and purl all even rows. Continue knitting Chart B to 2 stitches before second and third marker, turn corner. Start turning the last corner 4 stitches before the end of picked up stitches, repeating the corner turn twice over four stitches. Seam edges together. Weave in ends, block.

Short Row Corner

Work Chart B to first marker.

Row 1 (RS): Work chart through 7th stitch (marked in red). TURN.

Row 2 (WS): Purl back to end.

Row 3 (RS): Work next row as written through k2tog with stitch from main body of shawl.

Row 4 (WS): Purl to end.

Repeat four times at each corner.
