Fantasm

The chart shows ½ of the pattern. Work to the center and then reverse for the second half. Each row starts with a chain 3, then work four double crochets in the first stitch. Each row ends with 5 double crochets in the last stitch. The center spine is composed of (3 double crochets, chain 2, 3 double crochets) worked in the previous rows chain 2 space. It is just like a granny square corner that is anchored with a single crochet.

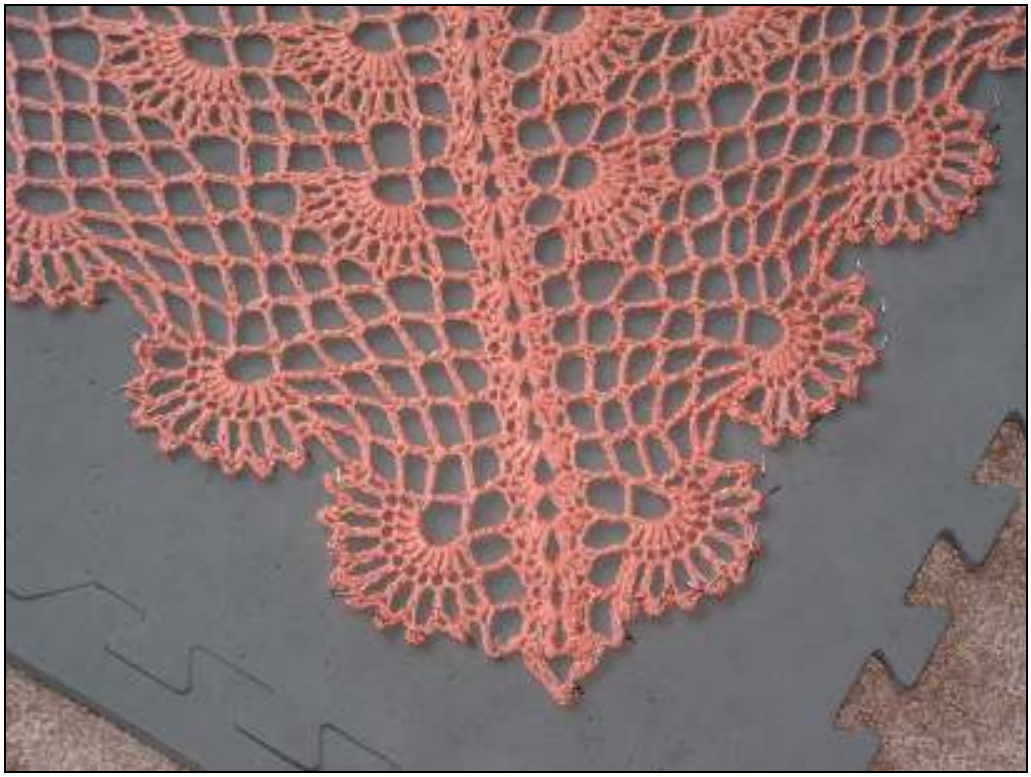
The center pattern is made of chain 5 mesh and a two row fan stitch. The first row of the fan stitch has 9 double crochets. The second row of the fan stitch has 9 double crochets with 8 chain 1 spaces between. It is a 4 row pattern repeat.

There are several options for the edging:

Option 1:
Make entire shawl with established pattern ending on row 9. It will have a scalloped edge.

Option 2:

Work pattern to desired number of fans, then repeat row 13 to make a mesh section. Repeat to a multiple of four, and then repeat rows 8 and 9 to make the fan edging inserting a picot in place of the chain 1 space on the last row. The final fans will look larger than the center panel after blocking.



Option 3:

Work to desired number of fans, and then work the mesh section. Remove the center spine by working a chain 5 after the anchoring single crochet, single crochet in the center chain 2 space, chain 5, make the second anchoring chain. (See small insert at top of chart)

Work until the mesh starts to curl. When ready to start the edge, single crochet the first 3 stitches, work first row of fan stitch in every other chain 5 space with a single crochet in the chain 5 space between the fans, end row with 3 single crochets in the last three stitches. Turn work, work a double crochet in the first double crochet of the fan, chain 1 or work a picot, double crochet in the next double crochet of the fan. Continue with the double crochets and chain 1 spaces across the row until you get to the last double crochet of the last fan, then just slip stitch in the last stitch of the previous row. Skipping the first and last 3 stitches of the row gives a smooth finish to the edge of the shawl.

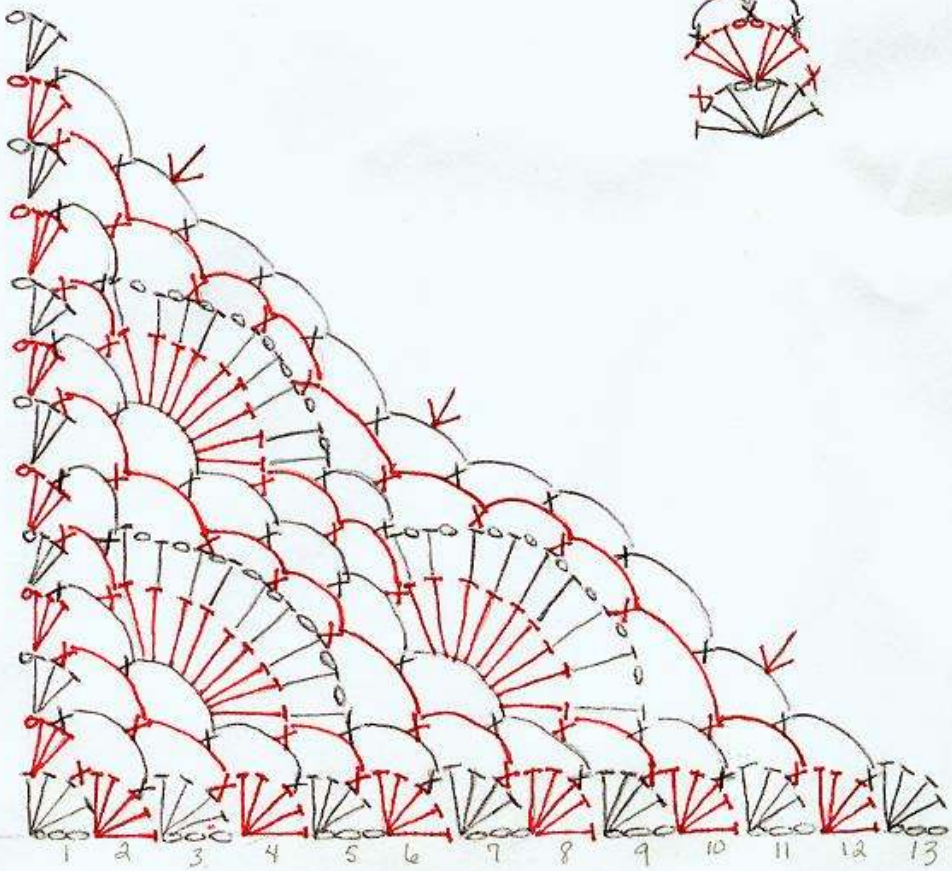
Chart shows 1/2 of pattern. Work to center and then reverse. Start each row with ch3, 4DC in same stitch. End each row with 5DC in last stitch. Center spine is 3DC, ch2, 3DC in chain 2 space.


x = single crochet (sc)
T = double crochet (dc)
o = chain (ch)
⌒ = Chain 5 (ch5)
↓ = shows where the fan will start on next row
